

## **Fee Agreement for Planning Services**

This is an agreement between HURLEY ELDER CARE LAW (“We” or “Us”) and **Keith Eppinette (“You”)** for the specific services to be rendered by us to you, as described hereafter.

**SERVICES TO BE PROVIDED.** You agree that we will represent you in the development, preparation, and implementation of an Estate Documentation Plan.

An Estate Documentation Plan includes *only* the preparation of legal documents (such as wills, trusts, powers of attorney, healthcare directives, and the like). The Estate Documentation Plan services that we provide *do* include preparation of the following legal documents:

- General Durable Power of Attorney;
- Georgia Advance Directive for Healthcare; and
- HIPAA Authorization and Consent (for compliance with the Health Insurance Portability and Accountability Act of 1996 (Pub. L. 104-191; 45 CFR §§ 160 through 164).

The Estate Documentation Plan services *do not* include: conservatorship; guardianship; any litigation, hearings, and appeals, and the like; probate court unless otherwise agreed to; discharge hearings; preparation and filing of state and federal income, gift, or estate tax returns; Social Security claims; and any matters involving travel more than 100 miles from our office in Atlanta, Georgia (in which case an additional fee may be charged); extensive care assessment and management services; and any real estate related services. *Also, we will not offer advice regarding investments, financial planning, or taxes.*

**ADDITIONAL SERVICES.** If you need any additional services which may or may not be related to the above matters, you and we may make a new agreement to provide for those services.

**LEGAL FEES.** The fee for this Agreement is **\$1,500.00**. Thereafter, unless otherwise agreed, no additional legal fees will be owed for what we do for you under this Agreement. The legal fee paid does not include a Medicaid application. Should a Medicaid application be necessary, a separate legal fee will be charged under a separate Fee Agreement. *The legal fees are considered earned when they are paid to us.* We will refund a portion of the legal fee if it would be unconscionable for us to retain them.

**COSTS AND EXPENSES.** The above legal fee does not include out-of-pocket costs or expenses that we may have to spend on your behalf. In addition to our legal fees, you must pay the costs and expenses incurred for court costs, accountants’ fees, appraisers’ fees, , overnight delivery charges, and any other expenses that are reasonably related to this Agreement. *Any payment for legal fees paid by credit card will be subject to a 2.5% service fee.*

**NO GUARANTEE.** We will provide conscientious, competent, and diligent services and at all times will seek to achieve solutions that are just and reasonable for you. Because of the uncertainty of legal matters, especially pertaining to the Medicaid and Veteran’s benefits laws, we cannot and do not warrant, predict, or guarantee results or the final outcome of any matter contemplated under this Agreement.

**WHEN THIS AGREEMENT ENDS.** *The obligation for us to perform services relating to an Estate Documentation Plan ends at the time upon the delivery of the executed documentation binder.* The obligation for us to perform services under this Agreement may also end for any reason in which we are unable to provide services because it is impractical, impossible, unlawful, or unethical. The obligation for us to perform services also ends when we have done everything we agreed to do under this Agreement, and there is nothing else for us to perform under this Agreement. The obligation for us to perform services also ends if you provide us with written notice terminating the services contemplated under this Agreement.

**WHAT WE HAVE TO TELL YOU ABOUT "THE FILE."** At the conclusion of the representation, you may request the return of all original documents provided by you to us as your Attorney and copies of any portion of the file, as these documents are ultimately your property. Original documents do not include any original executed estate planning documents, which are delivered to you in your estate planning binder after document execution. After our representation has ended, we will retain a copy of your file, including any original documents, for six (6) years. After six (6) years, we are no longer obligated to retain a copy of your file, and it will be shredded and/or destroyed.

**ELDER-CENTERED APPROACH.** We are an Elder Law firm. We will not knowingly take a position that harms an Elder and it is our goal to improve the quality of life for those Elders we serve. By entering into this Agreement with us, you expressly authorize us to act in your best interests at all times in order to further this goal.

**SIGNATURES.** You and we have read and agree to this Agreement. You have been given a copy of this Agreement.
